

NORTHEAST COUNSELING

Therapy For All Ages

NorthEast Counseling is an alliance of six therapists with advanced degrees who are committed to working with you collaboratively and thoughtfully to bring positive change.

Common concerns we treat include anxiety, depression, ADHD, work, school or family issues, grief and loss, parenting concerns, immigration challenges, emancipation struggles, marital or relationship discord, trauma, abuse, women's and men's life-cycle transitions and infant and preschool mental health.

- Deb Kratz, LICSW
